

HIGHLAND CAMPERVANS HAS MOVED!

Please follow the directions below to our new premises:

From the A9 North or South: At the A9/A96 junction, follow the signs to Inverness Airport. After passing the Norbord Factory on the left, we are the next road turning (farm track) on the right. Look for the Highland Campervans sign and a road sign to Kerrowaird. Also look out for a cottage at the bottom of the track which has yellow window frames and fascia boards.

From the A96 Aberdeen: Follow the A96 towards Inverness. Go straight over the airport roundabout and we are approx 300m along the road on the left, immediately after the village of Tornagraim. Look to the left for the Highland Campervans sign on the A96 and the road sign to Kerrowaird.
