

## Recommended Highlights of Northern Scotland by Highland Campervans

When we first came to Scotland we asked friends and colleagues who'd lived here for years to recommend their favourite places to visit. This is the list they came up with and although we haven't quite made it to all of them yet, we've not been disappointed so far. We hope it helps you plan your holiday and please let us know if you discover another gem which we should add to the list.

- |  |                                   |
|--|-----------------------------------|
| 1. Sandwood Bay (beautiful beach & rock stack) | 14. Pennan Head                   |
| 2. Faraid Head & Durness                       | 15. Glen Affric                   |
