

Job Title: Trainee Motorhome & Caravan Technician (TMCT125)

Are you practical, reliable, and eager to learn a new trade? We are looking for a **Caravan & Motorhome Habitation Technician** to join our busy workshop in the Highlands. No previous experience is required – we provide **on-the-job training**, leading to full **NCC/AWS-approved technician qualifications**.

About Us:

We specialise in providing exceptional campervan services, including sales, servicing, and repairs. Our friendly team works in a fast-paced yet supportive environment where quality and customer satisfaction are our top priorities

Your Role:

You will be performing routine assessment on caravans, motorhomes and campers to NCC / AWS guideline which includes :

- **Electrical Systems:** Test plugs, cables, lights, battery, fridge, sockets, and appliances. Inspect earth bonding, RCD, and chargers.
- **Gas Systems:** Check regulator, hoses, cylinders, and appliances for leaks and functionality. Ensure safety devices work.
- **Water Systems:** Inspect pumps, tanks, pipes, taps, and toilet for security and leaks.
- **Ventilation:** Check fixed ventilation, roof lights, and airflow.
- **Fire & Safety:** Test alarms, extinguisher dates, and fire blanket security.
- **Bodywork:** Inspect doors, windows, roof, furniture, and damp levels.
- **Underbody:** Inspect and lubricate components, check tanks and pipes.
- **Caravan Service:** Check coupling, chassis, wheels, tyres, suspension, brakes, and handbrake. Lubricate and adjust as needed.

What We Offer:

- **Full training and career progression** to become a qualified technician
- A **four-day working week** (36 hours over 4 days)
- The chance to work with a friendly, skilled team in a growing industry
- A range of **staff benefits from** motorhome use to leisure centre memberships.

What We're Looking For:

- A **quick learner** with a **practical mindset**
- Someone who is **punctual, honest, and conscientious**
- Good **attention to detail** and ability to work accurately
- A **positive attitude** and willingness to develop new skills
- Any previous experience in gas, electrical or joinery would be useful
- Driving licence is essential

This is a fantastic opportunity for someone looking to build a career in the caravan and motorhome industry while enjoying a great work-life balance.

Salary: Starting salary of £23,587 - £24,523.
£26,395 plus bonuses once qualified.

Interested? Apply today and start your journey to becoming a fully qualified technician!

If this sounds like the perfect role for you, send your CV and a brief cover letter explaining why you're a great fit to **jobs@highlandcampervans.com**

Start your journey with Highland Campervans and enjoy a role that values balance, community, and adventure. We can't wait to hear from you!
